A WINE REGION RICH IN HISTORY

Swipe your finger along a dusty barrel, step back in time, and be engrossed by stories told of our historical wine region.

Discover the spectacular rugged ranges, where warmer days and cooler nights have allowed for a wealth of grape varieties to be grown since 1863.

From the grandeur of Mount Langi Ghiran to the rustic serenity of Barangaroo Wines, you'll find dozens of boutique wineries scattered across undulating landscapes, all sharing a passion for the region's signature varietal, Shiraz.

Relish intimate encounters with new winemakers and learn of their experimentation with modern techniques. A visit to Great Western will captivate wine collectors and history buffs alike with a tour of Seppelt Wines' underground drives, where the fascinating link between gold and wine is recounted.
