Discover the Grampians

From a magical moment in the mountains at dusk to the eerie experience wandering the grounds of a former gaol for the criminally insane, the Grampians region is so much more than your average road trip destination.

As the weather cools, the Grampians becomes a wonderland of cascading waterfalls, the crackle of an open fire and even a sprinkling of snow. Spring is when the region comes alive, the blooming wildflowers a tapestry of colour. In summer, escape the heat to tranquil streams, winding rivers and vast lakes. As the season switches to autumn, the cellar doors and farm gates await.

Whether you're a wine taster, outdoor explorer or food fanatic, it's time to awaken your sense of adventure. The Grampians Way.

DESTINATION GREAT WESTERN

With more than 150 years of viticulture history, wine runs through the veins of Great Western.

In the heart of the township sits one of the most well-known wineries in Australia, Seppelt Wines. Step back in time with a tour of the heritage-listed labyrinth of underground cellars known as The Drives. With excavation beginning in 1868, the tunnels wind for three kilometres beneath the historic Great Western home.

Lunch is a must at Salingers Café before dividing the rest of your day between the cellar doors that make up this quaint wine village.

A hearty dinner at the Great Western Hotel will go down well before laying your head to rest.

Located on the Western Highway between Ararat & Stawell - just a 2 hour drive from Melbourne.
